- The committee decided to organize sessions for students and teachers to facilitate the shift to Online Learning Teaching Process
- An Online Counselling session planned for students, to resolve the stress issues and other problems.
- The FSAS (Feasibility Study on Autonomous Status) Committee has been constituted. In coordination with the IQAC, the committee will conduct an evaluative study in all the departments.
- In wake of the NEP, and the 4th cycle completion- it was decided to take up the shift to autonomy at the earliest, after the study and based on its results.

IQAC 2021-2022

Combined Meeting of FSFAS (Feasibility Study for Autonomous Status) 15.06.2021 and the
IQAC held in Google Meet

(meet.google.com/loi-etkz-phb) at 02.30pm

Agenda:-

Study the different aspects of Autonomy

- The meeting began with silent prayer. The Principal welcomed the members present online and in his introductory remarks mentioned the need to shift to autonomy. He also reminded the IQAC that the Governing Council had asked for a report on the same – and hence the FSAS had been constituted.
- The members of the FSAS were asked to prepare a questionnaire to be circulated to the various departments to assess their preparedness for autonomy. Dr. Nebu John the convener of the committee to take leadership of the process.
- After the submission by the various departments, a consolidated report can be sent to the Governing Council.
