A detailed presentation was made by Prof. K. M Vishnu Namboodiri. It included the Criterion wise point allocation for the NAAC accreditation process.

- Each Criterion was studied in detail. The sub points and strategies to achieve more points in each were discussed.
- The presenter also pointed out sub-points (Criteria –wise) where our performance needs to be improved.
- The presentation is available for sharing, on request, and departments can convene meetings to study how criterion wise performance can be improved.
- NIRF ranking-criteria were also discussed in detail and suggestions were given on how the peer perception can be increased.
- It was also mentioned that steps should be taken to ensure that all seats(sanctioned strength) is filled for all the programmes and results must be improved for a better grade in all the ranking systems.
